Binding Financing Proposal
Valid Until 07.10.2019

Financing Recipient :

SQRONE Ltd. - Incorporated in April, 2010 in England

Project :

Expansion and Growth of Existing Business Activities and Repayment of Existing Debt

Fundamentals:

We refer to our phone conversations as well as the documents and information provided to us, on the basis of which we hereby submit our following indicative offer.

Please note that this offer is non-binding and is subject to the approval of the decision-making board of our company, the results of project valuation, to be conducted Feasibility Study /Market Success Analysis (if required) and the contract to be drawn up subsequently. A dissemination of this offer to third parties is not permitted without our consent.

Description :

The Borrower is the holding company of Square One Network Limited, which is the main operating company. Square One is a full solution B2B telecommunications company that provides complete telecom services to a wide variety of business customers. The company supplies mobile and fixed line telecom solutions to some of Ireland's biggest customers, and is a one-stop-shop where they bill all customers through their own billing platform and provide all customer support.

The company has customers such as O2 UK and Three Ireland. They have a solid customer base with a current contract value in excess of 8,000,000.00 GBP. Further, on the back of their strong relationship with Three Ireland, they have been bidding jointly for tenders to well known MNC's. Through their ongoing investments and efforts, the Borrower expects to generate the following profits (EBIDTA) :

2020:	(227,334.00 GBP)	2023:	3,753,012.00 GBP
2021:	334,679.00 GBP	2024:	5,300,000.00 GBP
